

Declaration of Intent

Subject: No Gift Policy for Fiscal Year 2023

The Office of the Basic Education Commission has established a policy requiring Pongpattanawittayakom School to adhere to the Organic Act on Counter Corruption, BE 2561 (2018), Section 126, Paragraph One, which prohibits public officials from accepting any property or benefits that can be quantified in monetary terms from any person, except for property or benefits that are legally entitled under laws, rules, or regulations issued under the authority of the law, except for the receipt of property or benefits according to ethical norms and the amounts specified by the National Anti-Corruption Commission, and according to the Code of Ethics for Civil Servants, Section 6(1), which stipulates not to request, accept, or allow others to request or accept gifts on behalf of oneself or one's relatives, whether while or before or after assuming office or performing duties, whether related or unrelated to the performance of duties, except for gifts given according to ethical norms, customs, or to the general public.

This is also by the Pongpattanawittayakom School Announcement on Morality and Transparency Free from Corruption (Integrity Declaration), Section 4, which prohibits seeking personal benefits by accepting any property or benefits that constitute bribery or conflict of interest, announced on December 9, 2022.

To prevent corruption and misconduct by all civil servants, staff, and personnel at Pongpattanawittayakom School, and to raise awareness that corruption is a significant issue requiring collective efforts to eradicate, and to ensure alignment with the Office of the Basic Education Commission's policy and the Integrity Declaration of Pongpattanawittayakom School, a No Gift Policy is at this moment established. "Change Gifts into Blessings" aims to avoid actions that might affect discretion or decision-making in performing duties, which could lead to favoritism or conflicts of interest. This policy is to be acknowledged and strictly adhered to.
